

MV BEL

Come and step aboard the MV BEL. Our classic timber vessel has styling reminiscent of 1950's Venice, luxury leather, mahogany and rosewood panelling and pushed gracefully through the water with the quietest of engines.

With years of on water experience, our professional and friendly superyacht captain and crew can ensure your cruise will exceed all your expectations. Quayside Charters specialises in wedding and celebrity cruises where discretion, class and service are paramount. Whatever the occasion, we will endeavour to impress you and your guests.
